

BALBOA PARK

House of Hospitality historical exhibit and wayfinding

The House of Hospitality is the welcome center of Balboa Park. It is one of the historic buildings from the 1915–1916 Panama-California Exposition and was restored in 1997. Six window displays tell the story of the structures, people and events, through a collection of memorabilia and graphics.

Artefact Design: Interpretive planning, exhibit design, graphic design, fabrication coordination and installation

Installation: 2002
