**LEO & DEEDIE'S BEDROOM EXHIBIT**

The 350 sq. ft. hacienda bedroom and bathroom suite presents a view into Leo Carrillo and his wife Deedie's married life on the ranch. The bedroom was the sleeping quarters for Leo and Deedie. The bathroom was shared with their daughter Tony from her adjoining bedroom.

Exhibit opportunities connect visitors with the intimate family life of Leo and Deedie through their preferred architectural choices, bedroom furnishings and Deedie's sense of New York design meets West Coast rancho lifestyle.
